What if I don't see my points rewarded on my IMAGINE Rewards Mastercard?

First, please check your itinerary if your booking qualified for points. If so, please make sure you have applied your most current IMAGINE card number at the time of the booking and check that the number is correct. You can also log into skylinkcanada.com or skylinkus.com and view all qualifying bookings and their associated points.

At the time of the booking, please make sure you input your correct IMAGINE Rewards Mastercard number. For more information please call 1-877-SKYLINK.

Your card can be replaced if lost, stolen, or damaged. Any available balance will be transferred to the replacement card, less a replacement card fee of \$15.00.
